**SUPPLEMENTAL SUBMISSION IN SUPPORT OF REQUEST FOR REVIEW OF THE  
REGIONAL DIRECTOR'S DECISION AND DIRECTION OF ELECTION BY  
SPRINKLER FITTERS LOCAL 669**

Pursuant to §10267 of the NLRB Rules & Regulations, Road Sprinkler Fitters Local Union No. 669, U.A., AFL-CIO ("Local 669" or "the Union") submits the Regional Director's Corrected Certification of Results of Election, dated February 8, 2017 and received in this office yesterday, as additional support for the Union's Request for Review of the Regional Director's Corrected Certification which identified a bargaining unit *that does not exist*: "[a]ll journeymen sprinkler fitters and apprentices in the employ of AFP Specialties, Inc. ..." Exhibit A hereto.

As previously stated, the only bargaining unit inclusive of AFP employees is the national NFSA/Local 669 bargaining unit. Jt. Exh. 2, para. 12 (designation of NFSA); Jt. Exh. 5 (NLRB certification). And the Employer's Statement of Position, binding under §102.66(d) of the Board's Rules and Regulations, contains its explicit recognition of the multi-employer bargaining unit. Jt. Exh. 1 (AFP/Local 669 relationship a "multi-employer scenario.")

The Regional Director's unit determination is utterly in error and the Union's Request for Review should therefore be granted.

Dated: February 14, 2017

Respectfully submitted,
